- **Wristbands are purchased for \$1.00 each & required to hunt. Wristband sales need to be stopped 10 minutes before the scheduled time for the hunt to allow time to place the people on the island and in the horseshoe pit before the hunt starts.**
- **The color/design of the wristband will indicate what time the egg hunt is at. Participants should line up for their egg hunt 10 minutes prior to the time listed.**
- **If a participant misses the hunt they purchased a wristband for, the staff person monitoring the hunt will mark the time of the next hunt on the wristband so the participant can take part in the next hunt.**
- **Children can participate in multiple hunts but will need to purchase a wristband for each hunt.**
- **There will be a staging area for the Egg Hunt Island (big kids) on the North West side of the bridge. There will be a sign with hunt times and corresponding wristband colors at this location.**
- **There will be a staging area for the Egg Hunt Basket (little kids) next to the pit with a sign with hunt times and corresponding wristband colors at this location.**
- **There will be stroller and wagon parking at both the Island and Basket. Please park all wagons and strollers before entering staging areas. Wagons and strollers will not be permitted on the Island or in the Basket.**
